FUN-D-RAISER

Join us to support the Arts and Science Literacy Camp (ASLC) Fall, Winter & Spring School Year Program by establishing a scholarship fund for campers who need our financial support!

A fun and meaningful time together to celebrate what community can do!

The innovative mission of ASLC, under the guidance of amazing, licensed teachers, is to offer engaging, hands-on, integrated arts and science learning experiences that support literacy development as well as the educational and emotional growth of Milwaukee area children.

Open to all students and made affordable to all through the generous giving of folks just like you!

Please bring an art supply/supplies for our students to use in class. We need the following supplies:

- ✓ Oil pastel
- ✓ Crayola markers
- ✓ Sharpie (thin and fine tip markers)
- ✓ Watercolor paints
- ✓ Watercolor paper
- ✓ Glue sticks
- ✓ Crayola colored pencils
- ✓ Blue painters' tape
- ✓ Masking tape
- ✓ Clear tear by hand tape
- ✓ Hot glue gun glue sticks
- ✓ Kleenex
- ✓ Paper towels

Donations are tax deductible
