

Hello

I am Patrick Long the Mission Coordinator of LAMP, Lakeview Agape Mission Project, a Mission Project in New Orleans, Louisiana. I am looking for church groups to come and participate in LAMP this summer. I was hoping that you would be willing to forward this email to all the churches in your presbytery.

LAMP is a week long mission program in the great city of New Orleans. This week-long mission combines education with implementation. Groups not only hear and discuss social justice, but work hands-on through mission. Working with a number of ministries throughout the city, we can become one step closer to bringing God's kingdom to the earth.

Groups would stay at Lakeview Presbyterian Church. Lakeview can host up to 25 people. Lakeview Church has sleeping areas, showers and bathroom facilities for men and women, WiFi, and a large and equipped kitchen.

LAMP runs from May to July. Group members must be 14 years of age or older with at least one adult over the age of 21 for every four Group members under the age of 18.

LAMP cost \$250 a person and that includes Meals, lodging, volunteer cost, LAMP t-shirt, and a trip to Katrina Museum.

For more information about LAMP contact me at lpcnomission@gmail.com or call [\(504\) 482-7892](tel:5044827892) and ask for the YAV Office.

Peace be with you,
Patrick Long
