October 2020

19th Annual Meeting via Zoom

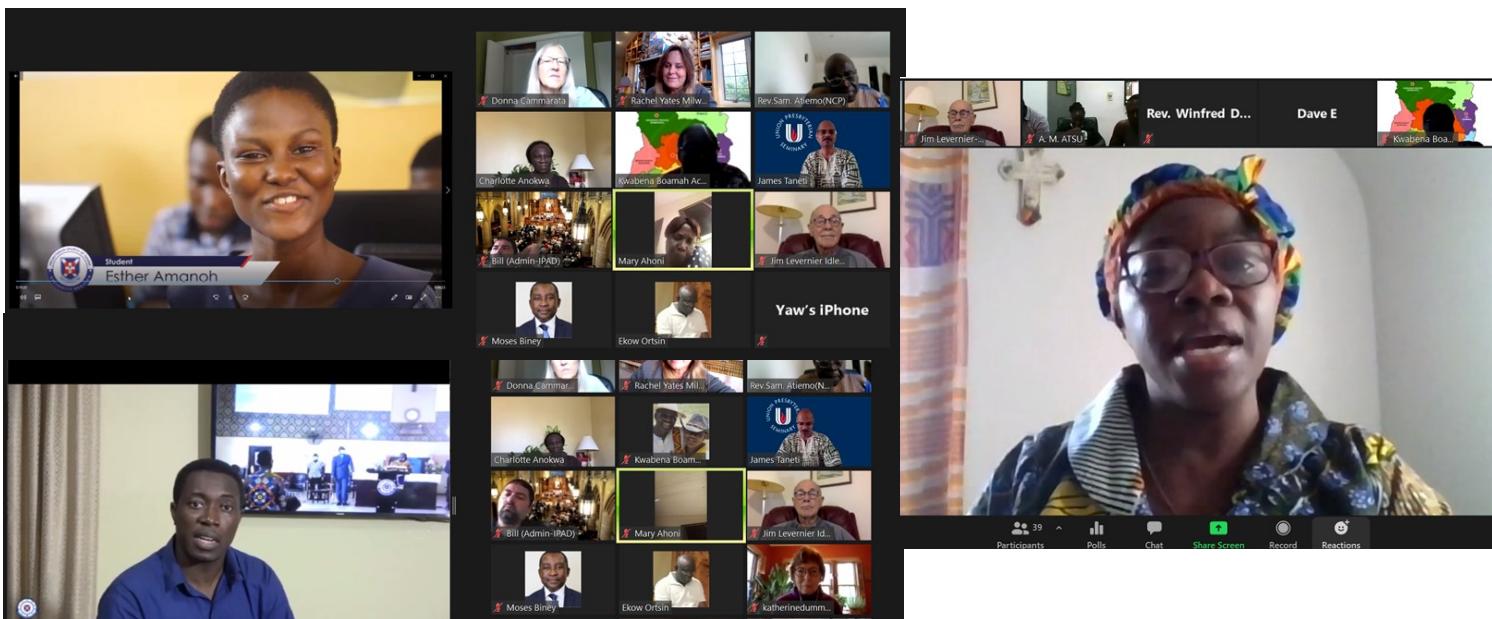

## THE GATHERING

Over two Saturdays in October, the Ghana Mission Network met to worship, enjoy fellowship, identify partnership opportunities, and conduct business. Despite the pandemic, our network pursues the hope of God's mission. Rev. Ken Djotepe (Evangelical Presbyterian Church of Ghana) spoke passionately that the church must be visible and provide hope to the community during COVID-19. We are called to fill in the gaps where the hands of the government cannot. So, we must reinvent and innovate church life.

# Ghana Mission Network Highlights

October 2020

19th Annual Meeting via Zoom

**BREAKOUT ROOMS** for  
Matthew 25 topics like  
hunger, racism, and  
mission

**A BIT OF BUSINESS**, of course, led by our own Presbytery Moderator Judy Jaggard

**Business Meeting**

1) Structure and format

- Be thinking about the possibilities, given the current pandemic situation and perhaps God leading us in a new direction.
- Leadership and support
- Cooordinators, Co-Conveners, Steering Committee Members, Other Committees or task Groups.
- Be thinking about your involvement in these opportunities, and about what will strengthen and help the GMN grow.

2) Staying connected.

- GMN Communications through Facebook, WhatsApp, ZOOM Meetings, social media, and other means. Sharing resources, testimonies, and spiritual support. Be thinking about how connections can be made and maintained, with individuals, Partnerships and Organizations, and as the Network.

3) Financial Matters.

- Attached is the 2019 GMN Financial Report. Currently, there is \$3,125 in the GMN USA account and about \$3150 in the GMN GHANA account. Information on making donations to the GMN is found below. Usually the GMN funds are used to support the GMN Annual Meetings. Be thinking about the best use of these monies; what or who might the GMN Community support or invest in?

5) Topics or issues of importance.

- This GMN Meeting has very briefly touched on many areas that would be beneficial to explore further. The Youth Committee continues to grow. Matthew 25's challenge to live out faith by actively loving others. Cross-cultural education and understanding. Be thinking about what future GMN meetings could focus on and how to engage more in-depth.

confession

One: In the tattered  
clothing and nakedness  
of those who are poor...  
All: Lord, we see you.

One: In the fear and  
confusion of those  
seeking refuge...  
All: Lord, we see you.
