

Common Ground has launched a new Listening Campaign and is interested in hearing from you!

Common Ground's goal is to identify leaders and patterns in social issues that can be addressed.

Common Ground will be hosting House Meetings where you can share the issues that are most important in your life. House Meetings are confidential, relational, small-group sessions for sharing and listening with community leaders.

You are invited to join us for all of our House Meetings. House Meetings will be held on ZOOM. You can find our sign-up form by clicking [here](https://forms.gle/MkDPAAfUoJy2dozv5) or going to <https://forms.gle/MkDPAAfUoJy2dozv5>. The ZOOM link will be emailed in advance of each House Meeting.
