

## **18-D. Membership of Presbytery**

### **On Amending G-3.0306 (Item 06-05)**

The 223rd General Assembly (2018) directed the Stated Clerk to send the following proposed amendment to the presbyteries for their affirmative or negative votes:

**Shall the fourth paragraph of G-3.0306 of the Form of Government be amended by adding the following statement as follows? [Text to be added is shown as italic.]**

**“Every minister of the Word and Sacrament shall ordinarily be a member of the presbytery where his or her work is situated or of the presbytery where she or he resides. *The presbytery may grant a minister permission to engage in work validated ministry that is outside its geographic bounds or which is not under its jurisdiction, but no presbytery shall permit a minister to engage in work that is within the geographic bounds of another presbytery and which is properly within the responsibility of another presbytery without consent of that presbytery. Such permission shall be obtained from both presbyteries and shall be reviewed and renewed annually.*”**

#### **Rationale**

This proposed amendment originates from the Presbytery of Tropical Florida as Item 06-11. The Presbyteries of Central Florida, Greater Atlanta, Huntington, Wabash Valley and de Cristo concurred. The Presbytery of Tropical Florida provided the following rationale [edited].

The current Form of Government lacks clarity with regard to the seeking of and granting of permission for a minister member of a presbytery to labor beyond the geographic boundaries of the presbytery of membership. This overture provides clarity to the seeking of permission to labor within the geographic bounds of a presbytery beyond that of the minister of Word and Sacrament's membership.

As “the presbytery is the council serving as a corporate expression of the church within a certain district” (G-3.0301), the presbytery needs to have knowledge of and oversight for the Presbyterian Church (U.S.A.) witness within its geographic district. Without the Form of Government making it clear that permission must be granted by the presbytery for all validated ministry taking place within its bounds, the particular corporate witness of a presbytery within a certain district may lack unity of strategy for mission under the Word. The addition of this paragraph to the Form of Government enhances the presbytery's capacity for unity in its corporate witness as strategy for mission under the Word.

#### **Advice from the Advisory Committee on the Constitution**

The Advisory Committee on the Constitution advised the 223rd General Assembly (2018) to approve Item 06-05 as amended providing the following advice [edited]:

Item 06-05 seeks to return to the *Book of Order* the mechanism for seeking permission to labor beyond the geographic bounds of membership of the minister of the Word and Sacrament. The...text...is based on the language that was in the 2009–2011 edition of the *Book of Order*. The Form of Government (G-3.0306) establishes that each presbytery determines the ministers who are its members and validates the ministries in which they are to be engaged, following the criteria of G-2.0503a(1)–(5) and the policy developed by the presbytery for validating the ministries of its members.
