# Church Leadership Connection

## The Call System for the Presbyterian Church (U.S.A.)

First Presbyterian Church of Clinton welcomes all to be part of God's kingdom by **belonging** to a community who experience God's grace, **believing** in the truth of the Gospel, and **becoming** active in Christ's mission to love and serve.

### **What is the congregation's or organization's vision for ministry:**

Our vision for ministry is one that puts God at the center of our lives, not just on Sundays but throughout the week. We envision a ministry where people will come to know God and develop a deeper relationship with him, where everyone is invited to the table to rejoice and give thanks for the gift of salvation. We are called to serve, to love one another, and to share our faith as disciples. We pray for a ministry where we can learn more about God together, becoming better disciples, growing in our faith, acting as good stewards of God's gifts, and developing loving and caring relationships within our congregation, our community, and our world.

We live our vision for ministry through weekly worship together that includes scripture, prayer, music, meditation, joy, and sometimes tears. Worship offers information and inspiration to live our faith throughout the week. Weekly Sunday school classes for children, and a youth group for teens, helps us encourage an early and active relationship with God. Our youth take mission trips near and far, learning to serve others in His name. They serve our congregation as well as our community with great enthusiasm. We try to be good stewards of God's gifts by maintaining our place of worship in order to host adult Bible studies, joyous monthly fellowship activities, and an expanded mission program that moves our congregation to action serving others. We love God and we seek to answer his call.

### **How do you feel called to reach out to address the emerging needs of your community or constituency:**

We help feed the hungry by housing Clinton Community Outreach, the local food pantry. We support the pantry financially and with food drives, and we help with monthly food distributions. We also support Family Promise of Greater Beloit by serving meals and supervising homeless families staying at local churches. We have a compassionate Deacon's ministry, they visit those who are homebound, sick, or in care facilities and send cards, deliver meals, and serve communion to those who can't attend worship. They also lead a prayer chain via email. Our "Mission Possible" program on the 5th Sundays helps us reach out to our neighbors by doing light construction, clean ups, and painting projects, we sing in care facilities, and develop intergenerational bonds. We have a relationship with a local non-profit to help a family build a new home. Youth and adults have traveled to many states to help with mission projects and share discipleship through hard work and personal connections. Our God Squad ministry is open to all area youth. To meet communication and connectional needs we began a mid-week worship service called "Flip Flop August" to offer informal summer worship. We expanded our social media presence through our website, Facebook, newsletters, and weekly updates. Our pastor collaborates with area pastors in a ministerial association to lead ecumenical worship services for our community, and at local care facilities. We host Girl Scouts and Cub Scouts monthly.

### **How will this position help you to reach your vision and mission goals:**

As a pastor works, worships, and walks alongside our congregation we hope that he/she will inform and inspire us to love and serve God. As a teacher, the pastor encourages our spiritual growth and helps us share our faith as disciples. We pray that a pastor will help us evaluate the programs we have and motivate us to envision and act on new opportunities to serve. Organizing, collaborating, and communicating with congregants, and being a facilitator (hub) for our church family will help us deepen our responses to God together and as individuals. Developing new leadership potentials, talents, and ideas within our congregation are important to us as we expand our mission outreach. Jesus modeled hospitality, and we seek ways to enhance our hospitality and discipleship as an invitation to all.
