To Register: [www.spotlight.org](http://www.spotlight.org) or call the home office: 847-516-2298

- 
- **Tune Town: Imagination Zone** (ages 6-7 year olds)  
Open for enrollment  
Teacher: [Jessica Denetz](#)  
Dive into an imaginary world and let creativity soar in this age-appropriate, learner-based curriculum. Tune Town tackles Audition Preparation, Dance, Acting, and Singing, all with pair-share ice breakers, creatively-immersive group activities, and fun-blasted games. This age group is not eligible to audition for the session production.
  - **Musical Theater: Honk!** (ages 8-11 year olds)  
Open for enrollment  
Teacher: [Abigail Nicola](#)  
Take your singing, dancing and acting skills to the next level and be challenged while having a blast! Learn how to capture your audience when you sing a breathtaking ballad and how to keep your energy high while working scenes and songs from Honk! Everyone will get a chance to shine in high-energy small group numbers as well as show-stoppin' ensemble numbers in our dynamic end-of-session showcase!
  - **Dance: Ballet & Lyrical** (ages 10-14 year olds)  
Open for enrollment  
Teacher: [Hannah Denetz](#)  
Ballet provides a great foundation for any other dance style, and challenges kids to be respectful, diligent and poised. Lyrical is a fluid, expressive dance form that blends ballet, jazz, and modern styles. Lyrical Choreography is influenced by Ballet and is designed to connect to the music; it will interpret and express the lyrics, and match the energy of the song. Lyrical is often described as graceful, yet requires strength and control
  - **Drama: Scenes from Classic Literature** (ages 12-18 year olds)  
Open for enrollment  
Teacher: [Dayne Hartwell](#)  
It's time to take your character from the page to the stage! Apply what you have learned in your

previous classes to scenes from classic literature. Experience firsthand what it's like to block a scene and be part of an ensemble. Next stop is the stage! All students will present a scene at showcase using their new skills
