

Pianist/organist Position

Covenant Presbyterian Church, Racine, seeks a pianist and/or organist to accompany the choir and play for worship. Planned musical selections may include a prelude, offertory and postlude, in addition to the hymns and responses at each service. The pianist will also accompany our choir during the regular church program year although not during the summer months. Choir rehearses Sunday from 8:30 to 9:45am, and worship is 10-11am. Pay is negotiable.

The position of pianist and/or organist requires knowledge of appropriate musical literature as well as diverse musical taste. Appropriate formal education and professional experience is preferred. Ability to play organ is a plus. The ability to be part of a staff team, communicate clearly and work harmoniously with others is important.
