2018 Regional Secondary Transition & Accessibility Fair

SCHEDULE-AT-A-GLANCE

Exhibitors: (4:00 - 7:00 p.m.)

Take an opportunity to visit with and collect information and resources provided by exhibitors from our region representing education, employment, and independent living.

Education Panel: (4:30 - 5:00 p.m. repeated 6:00 - 6:30 p.m.)

Is college the right choice for you? This panel presentation is an interactive discussion that will provide information, including academic and social experiences, for students who have IEP's or 504 plans. Representatives and students from area colleges will talk about the differences between high school and college and how support services are delivered. They will suggest steps to take when you are planning to attend college.

Employment Panel: (4:30 - 5:00 p.m. repeated 6:00 - 6:30 p.m.)

Are you concerned about finding the right job for you? Do you wonder what skills employers believe are most important? This session will focus on the "Do's and Don'ts of Getting and Keeping a Job". Listen to stories of current or previous students who are employed right now. Find out how they got hired and maintain employment.

Career Passport Student Activity: (4:00 - 7:00 p.m.)

This is a fun and easy way to remember what you did at the fair. Stop by the Career Passport Table and pick up a student "passport". Get your passport initialed at each table you visit or panel discussion you attend. Before you leave the fair return to the passport table and collect a small gift for completing the passport and reflection.

We encourage you to share this transition activity with your teacher!
