## KEY ACHIEVEMENTS

Worked with three professional clubs in England, helping to develop over 10 professional and youth international players.

Turned around a failing UAPB team (NCAA Division 1) into conference championship contenders. UAPB had previously won 2 games in the 2014 season. Upon my hiring in 2015 UAPB won 17 games in two seasons, finished third in the regular season and reached the Southwestern Athletic Conference Tournament Championship Game (2016) Climbing the NCAA RPI rankings by 91 places (2015-2017).

Improved a new Otero Junior College team (NJCAA Division 1) into national championship contenders in two years. Winning 25 games over 2 seasons, culminating with the #4 national ranking and the following accolades; NJCAA Region IX Regular Season Champions x2 (2013 & 2014) NJCAA Region IX Tournament Champions (2014) NJCAA National Tournament Appearance (2014) NJCAA Region IX Coach of the Year (2014) NJCAA All-American Selection (2014)

Selected for the United Soccer Coaches “30 under 30” coaches’ program; a mentorship program to develop a handpicked group of up and coming young coaches (2013)

## **COACHING/MANAGERIAL SKILLS**

### **PERSONAL EXPERIENCE**

Possesses a diverse skill set developed through work across several different roles in soccer – from coaching younger players to senior professionals in Europe and the United States. Understands how these different positions work together to create talented players, a strong team and a successful club.

### **LEADERSHIP**

Natural leader works by example and sets a high professional standard of work ethic, commitment and discipline. Able to effectively coordinate with administrators to implement strategies and processes, as well as prompting ongoing player responsibility to foster a more professional and driven soccer environment

### **YOUTH DEVELOPMENT**

Strong background in supporting young players and mentoring them through to senior levels of the game. Balances all the characteristics of football to ensure players are well prepared for professional and international demands of the game.

### **MANAGEMENT**

Good ability to read people, able to recognize and engage the different personality traits of players and coaches. Adopts a well-rounded holistic approach when managing the dressing room, and the coaching staff is tailored to varied individual motivations and characteristics. This approach is supported by maintaining a focus on excellence in performance.

### **COMMUNICATION**

Effective communicator, able to adapt quickly to new cultures and environments. Well prepared and motivating when engaging with media, supporters or other external stakeholders.

“Jamie has been studying with the World Football Academy since 2014 and through our mentorship and professional course meetings demonstrated an expert understanding of football periodization. Jamie attended our professional development course in 2017 and recognizes his strengths and weaknesses as a coach. He has a professional attitude, continually learning and challenging himself to become the best coach possible.”
