

Friday, January 8, 2021

Dear residents and families of Tabor Home,

We are notifying you that the outbreak of COVID-19 that was declared by on November 4, 2020 at Tabor Home has been declared over by Fraser Health Population and Public Health, as of January 8, 2021.

Facility staff will continue to screen residents twice a day and screen staff for symptoms twice per shift and to apply standard infection prevention measures to help protect residents and staff.

Residents will be able to visit with **one designated** family member or friend in designated spaces as per facility safety plan. This step is to help keep residents and staff/physicians safe from transmission of COVID-19.

For general information about COVID-19, call 811, or visit HealthLinkBC:
<https://www.healthlinkbc.ca/health-feature/coronavirus-covid-19>.

If you have further questions, please contact Kate Tate, Director of Care, Tabor Home, 604-859-8715 ext. 105. Email: KTate@taborvillage.org
