

# **MOHAWK VALLEY BRIDGE CLUB FIGHT SONG**

Sung to the melody of Caissons Go Rolling Along  
Based on a Parody in Mad Magazine over 50 years ago

## **(Verse #1)**

Bid a heart, bid a spade  
Bid a game that can't be made,  
MV Bridge Club goes ruffing along.

Lose a slam by one trick,  
Watch your partner getting sick  
MV Bridge Club goes ruffing along.

## **(Chorus)**

For it's hi hi hee, we've got vulnerability.  
Shout out three no trump loud and strong! Down four!

We will set the pace  
As we trump our partner's ace  
MV Bridge Club goes ruffing along.

## **(Verse #2)**

Finessing Kings is such a thrill,  
It never works, and never will  
MV Bridge Club goes ruffing along.

Sure you think it's all luck,  
Kiss goodbye to your 3 three bucks  
MV Bridge Club goes ruffing along.

## **(Chorus)**

## **(Verse #3)**

Transfer spade, transfer heart  
Better hope your partner's smart  
MV Bridge Club goes ruffing along.

Want to make the Director sore?  
Drop your bid-box on the floor!  
MV Bridge Club goes ruffing along

## **(Chorus)**

Yes we'll set the pace  
As we trump our partner's ace  
MV Bridge Club goes ruffing along.
