To become an authorized SeaLife Dealer, you have two choices: The basic Dive Dealer (DIV) program and the Full Line Dealer program (FLDR). As an authorized SeaLife Dealer you're permitted to resell to consumer end users, sales to other dealers or wholesaling of any type is not permitted.

1. Dive Dealer Program (DIV) – The DIV price level requires a minimum opening order of **\$500**, and an **annual commitment of at least \$1,000**. If the annual minimum of \$1,000 is not met in a calendar year, the dealer will need to reapply for a dealership (Dealerships are limited). A Credit Card processing fee applies.

2. FULL LINE (FLDR) DEALER - The Full Line Dealer Program offers the highest discount to dealers that merchandise, promote and commit to purchasing and maintaining inventory of all product categories listed under section B of the SeaLife products (see FLDR program requirements below). The Full Line Dealer (FLDR) must purchase **a minimum of \$2,500 by June 30th of the calendar year and a total of \$4,000 of SeaLife products by end of the calendar year.**

FLDR Exclusive Program Benefits:
