## STERLING — GREELEY

### Join Us to Discuss the New Sterling-Greeley Bus Route

Are you ready for a convenient, affordable, and safe bus service in your area?

On behalf of the entire Bustang Outrider team, we hope you receive this email in good health. Outrider is set to introduce four new bus routes in 2021 (timing could be delayed if COVID-19 or other unforeseen issues impact ridership) — Telluride-Grand Junction, Sterling-Greeley, Trinidad-Pueblo, and Craig-Denver. As a valued stakeholder in a community the Sterling-Greeley route will serve, the Colorado Department of Transportation (CDOT) invites you to a virtual meeting on **Aug. 27 at 6:30 p.m.** to introduce CDOT's plans for this new bus route, and gather your input about:

1. Bus route schedules
2. Bus stop locations
3. Additional stakeholders from whom CDOT should solicit input

Launched in 2018, Bustang Outrider is Colorado's rural regional bus network. Outrider — a branch of CDOT's larger Bustang bus system — provides regional transportation to rural residents for daily travel, including medical, education, and shopping needs. The Outrider bus system connects to long haul transportation providers for interstate and extended statewide travel. Outrider currently operates four routes: Lamar-Colorado Springs (weekdays); Alamosa-Pueblo (daily service); Gunnison-Denver (daily service); and Durango-Grand Junction (daily service).

We hope you join us to share your insight and suggestions on behalf of your community for the new Sterling-Greeley route. Please do not hesitate to contact the Outrider team with any questions and visit [ridebustang.com](http://ridebustang.com) for more information on current bus routes and schedules.

Sincerely,  
The Bustang Outrider Team
