

COLORADO
Department of Transportation

STERLING — GREELEY

We Appreciate Your Input!

Thank you to everyone who joined the Colorado Department of Transportation's (CDOT) virtual meeting on Aug. 27 to discuss Bustang Outrider's new Sterling-Greeley route. CDOT received valuable insight and suggestions from stakeholders who live and work in the communities the Sterling-Greeley route will serve. CDOT plans to begin service for this route in summer 2021.

If you missed the meeting, please click the links below to download the meeting presentation, notes, video and audio recordings.

Please do not hesitate to contact the Outrider team if you have any follow-up questions. **To schedule an individual meeting with the project team, please contact Julie Skeen at julie@cig-pr.com.** Visit ridebustang.com for more information on current Outrider bus routes and schedules.

Sincerely,
The Bustang Outrider Team
