

## UMAPP Volunteer of the Year Award

### **Volunteer:**

A person who freely offers to take part in an enterprise or undertake a task.

### **UMAPP Volunteer:**

A person with the support of their company that donates their time (as much time as they have to offer – there are multiple levels of volunteerism) and abilities to make UMAPP the best Regional Association it can be.

### **Who nominates for this award?**

Any member of the UMAPP Board, any Committee member, or the Executive Director, may nominate a volunteer for the year award, and the voting members of the Board will make the final decision. The current Executive Board (excluding the Immediate Past President) may not be nominated. This award is given at the Room Show.

## VOLUNTEER OF THE YEAR

### Nomination Form

Any member of the UMAPP Board, any Committee member, or the Executive Director, may nominate a volunteer for the year award, and the voting members of the Board will make the final decision. The current Executive Board (excluding the Immediate Past President) may not be nominated. This award is given at the Room Show. It is not required to have a volunteer of the year award every year.

Guidelines: The Volunteer of the Year is a person who has contributed significant amounts of time to UMAPP, made notable contributions to the Association, has generally been involved on a committee or board level for a number of years, and continues to support UMAPP in as many ways as possible.
