

UMAPP Super Star Award

Purpose

To recognize up to **three** people from **different** companies who have proven to be invaluable and consistently go above and beyond what is expected. These people are often invisible to the industry outside of the company and UMAPP would like to give member companies an opportunity to show support for these heros.

Examples could include someone in the support staff area, customer service, accounting, factory, trusted partnership between a distributor and their valued supplier partner, and a supplier who has established a connection with a distributor who has the drive of a Super Star.

Who nominates for this award?

Any staff person of a UMAPP member company may nominate someone from their own company or another. Super Star nomination forms are available every fall to the membership online.

Previous winners (new award started in 2018)

Devin Martin (Advance Corporation/2018)

Michelle Gunderson (Fields Manufacturing/2019)

Ben Mosey (Fields Manufacturing/2020)

Nikki Rothstein (Dubow Textile/2020)
