

UMAPP Super Star Award

Purpose

To recognize a person within their company who has proven to be invaluable and consistently goes above and beyond what is expected. These people are often invisible to the industry outside of the company and UMAPP would like to give member companies an opportunity to show support for these heroes. Examples could include someone in the support staff area, customer service, accounting, factory, etc.

Who nominates for this award?

Super Star nomination forms will be available to the membership online and sent via e-blast. Nominations must be made by a UMAPP member who would like to recognize a person within their company as a Super Star.

Previous winners (new award started in 2018)

Devin Martin (Advance Corporation/2018)

Michelle Gunderson (Fields Manufacturing/2019)
