Holiday Open House

Community Service Project

As the holidays bring a giving spirit, we are asking you to participate in a community service project by bringing items from the list below. Our newest club, Cahaba Valley Women of GFWC, has chosen SafeHouse, a women's shelter in Columbiana, serving Shelby County, to be the recipients of our "gifts".

"SafeHouse is an incredibly unique organization that is focused on providing individualized comprehensive advocacy and support for those seeking services. Since 1989, SafeHouse has given hope, saved lives and served our community. Our mission is to empower survivors of domestic and sexual violence through support and advocacy and to educate the community to prevent future abuse."
