Coding Club Before School with Silver Knights

Learn to create stories, games, and animations using a visual programming language called Scratch. It's as easy to use as snapping together building blocks! With Scratch, children learn to think creatively, work collaboratively, and reason systematically. Projects like mazes and platform games make learning logic, coding, and animation fun and creative! Our curriculum teaches new coders the basics while challenging more experienced coders to create increasingly complex programs. Silver Knights provides a laptop for every child. Info: Scott Corning, 410-313-4622 or scorning@howardcountymd.gov.
