Next JCPC Fly Fishing for Mission Outing Set for Saturday, November 26th

We are excited to announce this year's first Johns Creek Presbyterian Church Fly Fishing for Missions outing is set for Saturday November 26th!

What and Where

We'll fish the Southeast's premier trophy trout stream, the Soque River. The Soque is a 30 mile private river which produces some of the most exciting fly fishing found anywhere.

This year we will fish a newly opened section of the Soque featuring a wide open valley surrounded by beautiful vistas. You will think you're fishing in Wyoming or Montana!
