

## **CT BHP Community Meetings: A Valuable Resource for HUSKY Health Members**

The Connecticut Behavioral Health Partnership's (CT BHP's) Community Meeting series goal is to spread the word to HUSKY Health members about behavioral health services available in the state, and - how to access them. The following events are scheduled during the remainder of 2022:

- HUSKY Health Benefits and Services series
- CT BHP Child and Youth Services series
- The Seventh Annual *i*CAN Conference

### **HUSKY Health Benefits and Services**

Beacon is hosting a series of meetings explaining HUSKY Health Benefits and Services for consumers. Presenters will include representatives from all the HUSKY Health Administrative Services Organizations (ASOs), including the CT Behavioral Health Partnership (CT BHP), Community Health Network of CT (CHN CT), CT Dental Health Partnership (CT DHP), as well as the Non-Emergency Medical Transportation Broker, Veyo. In response to requests from last year's series, individuals from the HUSKY Health Member Eligibility team will also be on hand to discuss eligibility and enrollment. ### **CT BHP Child and Youth Services**

Next up is our series of meetings on CT BHP Child and Youth Services. These sessions will present information on how the CT BHP administers Child and Youth services to HUSKY Health members and the different programs available (including Intensive Care Management (ICM), Autism Spectrum Disorder (ASD) Care Coordination, and Family Peer Support). ### **The Seventh Annual *i*CAN Conference**

The seventh annual *i*CAN Conference on September 22, 2022 will showcase behavioral health education, awareness, and resources available to consumers throughout the state. Co-hosted by the Consumer Family Advisory Council (CFAC) and CT BHP, this virtual event will offer workshops to support this year's theme of Partnering to Transform Systems and Embrace Diversity, Equity and Inclusion.
