

RESOLUTION NO. 4-2023-821

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SAN GABRIEL VALLEY MUNICIPAL WATER DISTRICT ESTABLISHING WATER RATES FOR THE FISCAL YEAR COMMENCING JULY 1, 2023, AND REPEALING RESOLUTION NO. 4-2022-799

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE SAN GABRIEL VALLEY MUNICIPAL WATER DISTRICT as follows:

Section 1. Purpose and Scope.

This resolution adopts rates, fees, and charges for categories of water supplied by the District. This resolution supersedes prior resolutions and may be referred to as the District's "water rate resolution."

Section 2. Findings.

The rates, fees and charges set forth herein are for the purpose of: (1) meeting operating expenses, including employee wage rates and fringe benefits, (2) purchasing or leasing supplies, equipment, or materials; (3) meeting financial reserve needs and requirements; (4) obtaining funds for capital projects necessary to maintain service within existing service areas. The rates, fees, and charges set forth herein will produce revenue which does not exceed the reasonable actual cost of providing the service for which the rate, fee or charge is levied. On the basis of 14 Cal. Code of Regs. Sec. 15273 and the District's local environmental guidelines, the District finds the California Environmental Quality Act does not apply to this resolution or to the establishment, modification, structuring, restructuring or approval of the rates, tolls, fares, and other charges set forth herein.

Section 3. Ready to Serve Charge.

There is established a monthly ready to serve charge for each of the total cubic feet per second of available service connection capacity, regardless of whether such service connection is used to deliver water or not, in the amount of \$11.00 per second foot of groundwater replenishment service capacity. The ready to serve charge shall be payable monthly in advance and shall be in addition to the quantitative rate charged for the delivery of water as hereinafter set forth.

Section 4. Quantitative Rate.

Commencing July 1, 2023, the rate of each acre foot of untreated water delivered by this District directly from the State Water Project to or on behalf of any San Gabriel Basin producer within this District is \$220.00. The rate of each acre-foot of untreated water delivered by this District to fulfill RDA requirements is \$820.00.

Section 5. Limitations.

Water sales, delivery and availability is subject to the availability of State Water Project water to the District and the water storage accounts of the District with the Main San Gabriel Watermaster. Delivery is also subject to the District's ability to sell, deliver and make available such water under operating conditions determined by the General Manager and subject to the water service regulations of this District.

Section 6. Notices.

The Secretary shall transmit a certified copy of this resolution to the City Clerk of the Cities of Alhambra, Azusa, Monterey Park, and Sierra Madre and to the Secretary of the Main San Gabriel Basin Watermaster.

Section 7. Repeals.

Resolution No. 4-2022-799 is hereby repealed.

PASSED, APPROVED AND ADOPTED on April 10, 2023.

President

ATTEST:

Secretary
