Help us tell the story of our beloved market community. ✨

Art is our common language.
The Riverwalk Market Fair has always been about more than just commerce—it's about the wonderful people who make our community whole. We invite you to share your creative vision of our story.
We're officially accepting submissions for the 2026 Riverwalk Market Fair Poster Contest. One winning design will be featured on our official posters and reusable market bags—an opportunity to become part of Riverwalk Market Fair history.
