NORTHFIELD, MN – HomeTown Credit Union is proud to partner with the American Red Cross to host a community blood drive on Thursday, April 30, 2026, at its Northfield branch, located at 2000 Honeylocust Drive. The drive will take place from 10:00 am to 4:00 pm, and both HomeTown members and community members are encouraged to participate.

Blood donations play a vital role in supporting patients undergoing surgery, cancer treatment, trauma care, and those living with chronic illnesses. A single blood donation can help save multiple lives, making this a meaningful opportunity for individuals to make a life-saving impact locally and nationwide.

“We’re honored to open our Northfield branch to host this important community blood drive,” said Alyssa Zahn, Northfield Branch Manager. “At HomeTown, supporting the well-being of the communities we serve goes beyond financial services. We’re proud to partner with the American Red Cross to provide an opportunity for our neighbors to give back in a truly impactful way.”

Appointments are encouraged to help ensure a smooth and efficient donation experience. Community members can schedule their preferred donation time in advance through the American Red Cross registration page.

Donors are encouraged to eat a healthy meal, stay hydrated, and bring a valid photo ID to their appointment. The entire donation process typically takes about one hour, with the actual blood donation lasting approximately 8–10 minutes.

HomeTown Credit Union invites the community to roll up their sleeves and join in making a difference for patients in need by donating blood on April 30.

About HomeTown Credit Union

Founded in 1974, HomeTown Credit Union is a member-owned financial cooperative serving more than 25,000 members across southern Minnesota. As a credit union, HomeTown puts people over profits — reinvesting in members through competitive rates, financial education, community engagement, and initiatives that strengthen the places they service.
