BE A VOICE FOR THE FUTURE OF THOSE WITH DISABILITIES

Come and share your vision of how Northfield's future plans should include people with disabilities. Questions and small group conversation are designed to understand the priorities of community members and to refine the guiding principles for the City of Northfield's Comprehensive Plan. The City of Northfield is working on completing its 2045 Comprehensive Plan. A Comprehensive Plan is a document that outlines long-range plans for managing the growth of the community and covers areas like Housing, Transportation, and Parks & Recreation.

Food will be provided, and participants will receive a gift card for their participation.
