The Power of Collaboration with Your Facilitator

In-Person Facilitation Sessions

Collaboration is at the core of our program's success. While Brad provides you with invaluable insights and knowledge, your coach (facilitator) will be your coach to help you apply these learnings effectively. Together, you will work with a group of like-minded business owners, sharing experiences and supporting each other's growth.

12 Weeks of Transformation

Why 12 weeks? It's simple; it works. We believe in the power of incremental change. Each week, you'll learn a new concept, apply it in your business, see real results, and then come back for more. It's a proven formula for success.

Weekly Sessions with Brad

Your journey includes weekly half-hour pre-recorded sessions with Brad Sugars. These sessions are designed to keep you on track and motivated. Set up a lunchtime, breakfast, or coffee time appointment and watch Brad's videos while enjoying your meal. These sessions will be a cornerstone of your growth.

Learning Resources at Your Fingertips

In addition to Brad's training, you'll have access to a wealth of learning materials. Dive into playbooks, recommended books, podcasts, and YouTube channels curated by your facilitator and coach. Keep the knowledge flowing!
