

Now Enrolling Grades 6-12!

Arcadia Charter School is a small and welcoming tuition-free public charter school serving students in grades 6-12.

ARCADIA CHARTER SCHOOL

A learning environment that honors students' uniqueness.

PROJECT BASED LEARNING

Project Based Learning is a teaching method in which students direct their own learning by actively engaging in real-world and personally meaningful projects. Students do not have to be naturally self-driven or organized to be successful at Arcadia. We teach those skills!

PROGRESSIVE EDUCATION

Progressive Education is a student-centered educational movement which gives more value to experience than formal learning. Our small school setting allows us to provide hands-on learning, deliver personalized feedback, and empower students to drive their academic pace.

SOCIAL EMOTIONAL LEARNING

Our teachers are trained in Developmental Designs which encompasses both the academic and social needs of adolescents. It provides structures for teaching to the whole child so that academic growth is enhanced, rather than limited, by the social and emotional realities of adolescence.

ACADEMIC RIGOR

Arcadia Charter School students meet all MN State graduation standards & most attend post secondary institutions. Advanced-level courses & PSEO opportunities are also available for interested and eligible students.

Arts & Theater Program

Students have many art opportunities: classes, projects, field trips, school productions, & the annual arts residency program.

Team Sports & Extra Curriculars

We co-op with local districts so students can participate in their favorite sports and activities close to home.

World Language Program

Students can choose Japanese, French or the independent study of any other language they choose. We also offer a rotating schedule of international travel opportunities.
