Quint Thocher joins MERTS, LLC and Pathfinder Systems as Project Manager and Service Technician

Holland, MI- Pathfinder Systems and MERTS, LLC welcomes Quint Thocher as our newest Project Manager and Service Technician to round out our service team offerings. Quint comes to Pathfinder Systems and MERTS with over 17 years in the Block, Paver and Concrete Industries at Lithibar Matik Inc., Pathfinder Systems, and Anchor Block. He's spent much of his time in roles involved with manufacturing, engineering, plant installations, troubleshooting, and some sales engineering. Additionally, Quint has over 20 years of experience in several different manufacturing areas, with expertise in plant automation, continuous improvement, Six Sigma, quality systems, predictive index, along with certifications in Strengths Based Leadership, document control, and ISO 9001 lead auditing.

Quint and his wife Judy of 40+ years have two grown children, five granddaughters, and two cats. Quint and Judy enjoy biking, good barbecue, fishing, and of course, spoiling the grandchildren! Quint also enjoys nature photography and astrophotography. Originally from Michigan, they now reside in Minnesota, where they have enjoyed the (sometimes frigid) outdoors for the past 17 years.

Pathfinder Systems was founded by Larry Hilldore in 1998 through a partnership with TIGER Machine based in Okayama, Japan. The company was formed as a solution to bring new, cutting edge equipment into the North American market. The dedicated sales and service staff of Pathfinder Systems have been successfully installing and servicing concrete products equipment ever since. In addition to the partnership with TIGER, Hilldore purchased MERTS batching equipment in 2014. MERTS, LLC is a high-end equipment manufacturer for ready mix facilities and specializes in designing and building batch plants.
