

CURBSIDE CART PLACEMENT MATTERS

1 There should not be obstacles blocking the cart.

2 Carts should not be blocked by vehicle, must be 6 ft away.

3 Do not overfill carts. All material must be inside the cart and the lid should be closed.

4 Material in carts should not be packed too tight. Materials must fall freely from cart when dumped.

PROPER CART PLACEMENT

- ★ Place carts at the curb
- ★ Leave 3 ft of clearance from all sides
- ★ Keep carts 6 ft away from vehicles
- ★ Turn handles away from the street
- ★ Have carts out by 6:30 am
