## Dear Friend

**September is National Recovery Month!** \* It is a time to spread the message that **prevention works**, **treatment is effective, and people can and do recover!** Recovery Month is an opportunity to increase awareness and understanding of mental health and addiction, plus celebrate the people who recover!

**MOAR** invites you to sponsor, plan, and/or participate in our 29<sup>th</sup> Recovery Month Celebration. Thank you for your support in years past. The **MOAR** mission is to organize recovering individuals, families, and friends into a collective voice to educate the public about the value of recovery from alcohol and other addictions.

Join **MOAR** for **Our 29**<sup>th</sup> **Anniversary Celebrating Recovery Month.** Your sponsorship promotes the societal benefits of addiction prevention, treatment, and recovery! It lauds the contributions of treatment and service providers, and the message that recovery in all its forms is possible. Recovery Month spreads the word that addiction recovery is essential to overall health, prevention works, treatment is effective, people do recover.

## You - as a Recovery Month Sponsor

are supporting celebration costs (Brochures, shirts, program, buses) and our ability to support policymaker education, scholarships, & trainings.

You are mobilizing the **MOAR** Mission into Action

This day commemorates 29 years of Recovery Day Celebrations! It is a testament of **MOAR's** perseverance and most of all – your support! **MOAR** had a vision of people in recovery celebrating the value of recovery. Today, we share this day with all those that have helped with past and present support to make this anniversary happen. Thus, we will honor Vic DiGravio, former Association of Healthcare CEO. Most importantly, we look forward to a time when celebrating recovery can mean that the devastation of overdoses is seldom experienced.
