

Dear Friend,

We are in the process of preparing for the 1st annual Joseph A. Webb Memorial Golf Tournament. We will be holding this tournament in order to raise both finances and awareness of the recent addiction epidemic which has plagued our local communities. We will be giving all proceeds from the tournament to MOAR (Massachusetts Organization for Addiction Recovery), in the memory of Joseph A. Webb, who this past June lost his life fighting this disease. Joseph was a compassionate and charismatic person who is missed daily by his friends and family. We would like to hold this tournament to both remember and honor Joe by helping others who endure a similar struggle. We hope that you will both help us reach our monetary goal of \$7,000, as well as join us for a great day of golfing and giving back to a great cause!
