

MOAR Thanks to Alcohol Awareness Town Hall Meeting Sponsors!

MA Bureau of Substance Abuse Services- MA Department of Public Health, contracted **MOAR** via Third Sector New England, to increase capacity as a statewide recovery community education and membership organization to build public awareness about the value of addiction recovery. It is the agency within the MA Department of Public Health, Executive Office of Health and Human Services, which oversees implementing and overseeing certain state funded addiction services. We especially thank Massachusetts Bureau of Substance Abuse Services Director, Allison Bauer and Recovery Support Services Coordinator, Julia Ojeda for their strong support.

SAMHSA- The Substance Abuse and Mental Health Services Administration (SAMHSA) is the agency within the U.S. Department of Health and Human Services that leads public health efforts to advance the behavioral health of the nation. SAMHSA's mission is to reduce the impact of substance abuse and mental illness on America's communities. MOAR received a SAMHSA CSAT RCSP – (Center for Substance Abuse Treatment, Recovery Community Support Project – Statewide Network), called **SOAR**, Speaking Out for Addiction Recovery.

AdCare is a New England name for helping individuals and their families on the path to recovery. AdCare's full continuum of alcohol and drug treatment provides hospital-level of care in Worcester, Massachusetts; inpatient detoxification and residential treatment at a second inpatient program situated on 30 acres of beautiful woodlands in North Kingstown, Rhode Island; and outpatient services programs conveniently located throughout Massachusetts and Rhode Island. AdCare ... Your Recovery Begins Here.

Massachusetts Behavioral Health Partnership- Established in 1996, the Massachusetts Behavioral Health Partnership (MBHP) was contracted by MassHealth to manage the mental health and substance abuse services for MassHealth Members. MBHP has improved the delivery and quality of healthcare in Massachusetts through Member-directed initiatives, innovative programs for special needs populations, and effective collaborations with providers. MBHP has long supported **MOAR** with all our events.

The Boston Public Health Commission has been a long-time friend to **MOAR**. For the last three years, BPHC has contracted **MOAR** to support the SAMHSA Target Capacity Peer to Peer - Safe and Sound grant to help develop a recovery center named Safe and Sound! Experiencing the Center is a gift!

The Central MA Regional Public Health Alliance and Worcester DPH have been very supportive of **MOAR**. We see central Massachusetts building a healthy continuum of care because of their services. We are very grateful!

The Process Recovery Center understands that drug and alcohol addiction, coupled with possible mental health issues, are serious problems within our community, and society. The Process Recovery Center sets out to provide individualized treatment so all may have success in achieving long term sobriety.

Thank you to all **MOAR** Volunteer, Members, and Supporters!

Massachusetts SOAR, Speaking Out for Addiction Recovery, is a project of **MOAR** which connects Peer to Peer Organizations across the state. The purpose is to share crucial information and to unite the recovery community into a collective voice. It serves to mobilize people to regional, statewide and federal issues.
