- **Eat breakfast & lunch as normal**
- **Drink plenty of water**
- **Bring a Photo ID** to the blood drive
- Fill out the [Rapid Pass](#) questionnaire or use the [Blood Donor App](#)

Missing Class: Students will be excused from missing class to donate blood. Students should choose a time to best fit their unique schedule. Attendance is taken at the blood drive with your student ID. Students may return to class from the blood drive without a pass. Check power school several days after the blood drive to make sure your absence was corrected from absent (AB) to class excused (CE).

Faculty Donors: Notify a faculty member when you arrive so your Blood Donation will be as short as possible. You will go to the front of the line! To shorten your donation, you should complete the [Rapid Pass](#) online donation survey on the morning of your donation but prior to your arrival at the blood drive.

Student Donors: Faculty may 'bump' you and go to the head of the line. As a result, you may miss multiple class periods. To make sure your attendance is excused, you must check-in & check-out of the blood drive using your Student ID with a faculty member at the front door. Students may pick the times/periods they will donate blood to best suit their schedule.

Reactions & Results: If you have a reaction (feel hot or nauseous) to the donation before 1:00 pm return to the Blood Drive in the Library. After 1:00 pm report to the Nurse. If you have a reaction after school or if you have questions about your test results you can contact the Donor Client Support Center at 1-866-236-3276. **IMPORTANT:** If you feel lightheaded, immediately stop what you are doing and lie down with your knees in the air as well as put a cool wet cloth on your neck or face.
