

Math Summer Enrichment Courses

with Bridgewater-Raritan High School Teachers 2025

The following one week summer courses are designed to directly help students for math class next year or to prepare for standardized tests. All courses are In-Person at Bridgewater-Raritan Regional High School. Check website for details.

Registration is through the district web site, www.brrsd.org or through the direct link at csasummercamps.recdesk.com. Please contact Dave Weth (dweth@brrsd.org) or Mark Palazzi (mpalazzi@brrsd.org) with any questions about the listed courses.
