Daniel Hemberger

Principal

To the Students & Families from the BRHS Class of 2025,

Now that we've moved into Semester 2, our sights are set on Graduation Day. This message is the first in a series of communications regarding graduation that you'll receive over the next few months.

Like last year, Commencement will be at 10 AM on Thursday, June 19, 2025 at Jersey Mike's Arena on the campus of Rutgers University in Piscataway. More details will be provided in April. Participation in the graduation commencement ceremony is a voluntary activity; no one is required to participate.

The first step is to complete the **Graduation Commencement RSVP Form**. We need your RSVP as well as basic information about your diploma, event tickets, and cap & gown. The form is very brief and will remain open until February 21.

The form must be completed in the [Parent and Student Portal](#). From the website, click [Forms](#) on the left side menu. From the app, select [More](#) and then [Forms](#). Under BRHS Forms, click [Graduation Commencement RSVP](#). Complete all four required questions and click the blue Submit button.
