

Transition from School to Adult Life: Using the IEP to Create Success

*a webinar with Johanne Pino, Massachusetts Advocates for Children,
sponsored by Family Empowerment, Franklin County*

Thursday, May 16, 2024, 6:00 p.m. - 7:30 p.m., ZOOM

This online, Special Education transition training will address the transition planning and services required for youth with disabilities ages 14-22, with a focus on the transition services districts should provide to prepare youth for employment, independent living, and further education. Using case examples, parents and professionals will learn strategies that can help ensure students receive important transition services required by special education law. The webinar will also provide information about transition to the adult human service system, including Chapter 688, the state law that helps plan for youth with disabilities after they leave school.
