

## Thinking about Housing

Tuesday, February 7, 2023

6:00 p.m. - 8:00 p.m.

ZOOM

***Presenter Catherine Boyle is an amazing resource in the housing field. She is an Officer of Autism Housing Pathways, a commissioner of the Winchester Housing Authority and a member of the Winchester Housing Partnership Board. Attending this free webinar is an excellent opportunity to benefit from her expertise.***

The discussion will cover the crucial process of combining available public funds with realistic family assets to create the best potential for housing options. Although this is a basic workshop, it highlights all of the important steps to any plan in process, and will be useful even for those already on the section 8 list.

Topics include: public funds available to pay for housing; level of support needed; living skills development; assessment of personal resources; housing models; person-centered planning; and state care support options (including non-DDS) options.
