

Activities

With Sr. Anna Maria

July had a lot going on: from the Sisters' Celebration to having young girls come and experience our way of life. The younger of our Sisters went to youth events and all of us experienced the intense heat wave that came through. We will see what August has in store for us.

I am sorry we were not able to go to Eckerts in July, but we are not giving up hope. On Tuesday, August 7th we are going to leave early at 8:30am for Eckerts to give everyone time for shopping in the store before we have lunch.

On Tuesday, August 15th we are having an ice cream social for the Feast of the Assumption.

We are also blessed to have Anointing of the Sick in the morning on August 17th and later we will have a sing-along accompanied by Postulant Jessica with her violin and Sr. Mary Elizabeth on piano.

Don't miss the Eclipse of the Sun happening on the 21st of August. The total eclipse happens right at 1:14pm so we will have Rosary earlier in the morning that day. They say you can watch the progress throughout the day. It is important that you wear proper eye wear so that you don't damage your eyes. Safety first!

On the last day of August, we are going to Ted Drewes for a special treat to beat the heat.

Look for dates and times on your calendar for all the happenings in August. You don't want to miss out on all the fun!
