NONPROFIT SUSTAINABILITY FUND

Cash Grants for Nonprofits Suffering Loss due to COVID 19

Waynesboro nonprofit organizations contribute immeasurably to the health and vitality of the community. From arts and culture to human services, nonprofits enrich our lives with amenities that might not otherwise be available. However, the ongoing COVID-19 outbreak has caused widespread disruption to viability of these organizations or added additional demand for critical services.

FUNDING SOURCE

The U.S. Treasury guidance allows states to use Coronavirus Relief Fund (CRF) dollars for expenditures “related to the provision of grants to small businesses to reimburse the costs of business interruption caused by required closure.” The Commonwealth of Virginia has elected to disperse a portion of its allocation to local governments. The Waynesboro City Council has elected to use part of the City’s allocation to help preserve small business in Waynesboro by providing grants to eligible nonprofit organizations. The **WAYNESBORO NONPROFIT SUSTAINABILITY FUND** will provide up to \$10,000 cash grants to qualifying organizations for eligible expenditures.
