

USAFA Taste of Home 2023

Save the Date
March 16, 2023

Dear USAFA Parents,

The USAFA Taste of Home is a parent-led celebration of all the 6 great regions across the USA that our cadets call home, including the international cadets. It will be one huge, fun celebration that includes all cadets to bring them a taste of their home right here on USAFA at Arnold Hall!

Save the date, March 16, 2023. It is an exploration of the 6 regions of the USA complete with a scavenger hunt, regional food, regional experiences, games, prizes, deployed HAPS, Space Force and Air Force installations maps and much, much more! We will end this inaugural event with a bang!

The event is sanctioned by the Air Force Academy but the Academy will not be providing any financial support for this effort.

In order to bring this awesome event to the cadets, we will need all your help. WE NEED ALL PARENTS to make this the BEST parent-led event in the history of USAFA - Excellence in All We Do!

Please help us bring a USAFA Taste of Home to your cadet. Here is how you can help by showing us how much you LOVE your cadet.

- **Monetary Donations:** to help fund each region's events.
- **In-Kind items:** We welcome donations of regional food, drinks, prizes, and giveaways that will be presented to our cadets throughout the course of the event.
- **Volunteer:** Please reach out to your regional coordinator to see how you can help!

Please use the attached form to send in your monetary donation. We welcome individual and corporate donations! These donations will be divided among the 6 regions equally, and for the overall cost to put on this awesome event.

Any money left will be donated to design and create a legacy project from the USAFA parents.
