Attend the 4-week program on Saturday Mornings.

Class schedule is as follows;

October 12, 19, 26 & November 2, 2019

Time 9:00 am – 1:00 pm

Using The Right "TOOL" Is Critical In Selling.

During the four weeks you will learn:

1. How customers "BUY!" You don't sell products or services – you teach people how to buy!
2. Selling Skills used by top earning Plumbers and Technicians in the industry – without high pressure!
3. Who controls the conversation? That's correct – the person asking the questions. Take control of the sales process AND dominate the listening ... = \$\$\$
4. Proven Techniques that build your confidence as you put together a sales presentation around a specific PHCC related issue.
5. How to recognize buying signals and apply trial closes (keeps you from talking past the sale), so you know "HOW" to ask for the sale – we call it "OPEN A RELATIONSHIP" – building your book of business.
6. Handling customer attitudes and "easy to use" closing techniques - stopping the "stall tactic" now!
7. Selling in today's competitive Internet & Social Media Market – self branding and marketing.
8. Follow up review to reinforce REAL LEARNING for long term learning and earning. Proudly display your PHCC Sales Masters Certificate reinforcing success!
