

## **Top DC Advisor Teams**

Established in 2017, nominees had to be individual advisor team/offices with a defined contribution book of business, in a single physical location. To be considered, firms had to submit responses to an application form, including information about their practices, notably their defined contribution (DC) assets under advisement. The list is created and conducted by the National Association of Plan Advisors, an affiliate organization of the American Retirement Association, a non-profit association. No fee is charged to participate.
