

Vestry meeting continued....

Audit – The annual audit is underway per Marian Smithson and Kevin Babb. Maxine Callies met with Marian initially to go over the diocese's audit guide. On Friday the 17th, Kevin, Marian, and Maxine (via phone) will review the materials provided by Riley Atwood, former treasurer. Following the Friday meeting, a few questions will be sent to Riley for response then reports on the parish's checking accounts for General Checking, Rector's Discretionary Fund, Quilt Guild, and ECW will be prepared. These reports will go to the vestry and, once approved, on to the diocese.

Parking Lot project – Liz Edwards indicated the parking lot project is being worked on. The material currently on hand provides a base to gather more up to date and accurate information. As soon as this process is completed, we will have a clearer idea of what this project entails.

Outreach – St. Andrew's responded generously to the request for household goods for the Afghan immigrants coming to our area; however, the International Institute has "paused" collection of in-kind donations and now suggests donation of grocery cards and monetary donations. Fr. Ben also stated that a call for Thanksgiving basket donations has already been received and the Outreach Committee is going to ask for gift card donations for the Angel Tree at Christmas.

A special meeting for review of the draft Facility Use Policy is scheduled for Thursday, September 30, 6 p.m. via Zoom.

The Stewardship campaign will begin soon. Kevin Babb, Senior Warden is forming a committee. Brian Pezza has agreed to serve and Kevin is looking for a third member.

Reminder: Picnic after church this Sunday at Township Park.
