

The 2020 Lenten Meditations booklet is now available. The booklets are a free resource and can be ordered by congregations from Forward Movement at 1-800-543-1813 or by clicking [here](#). Only the shipping is charged. The meditations tie in with the One Thousand Days of Love campaign.

At our diocesan convention some years ago, a resolution was passed to designate the First Sunday in Lent, (or another convenient Sunday in Lent) as Episcopal Relief & Development Sunday and to highlight the work of our church around the globe. Congregations are asked to consider dedicating a special offering for the work.
