

**Pathways Youth Pilgrimage 2018**  
*Reconciling with the Earth and Each Other*  
**June 24-30**

Pathways is a pilgrimage that unites youth to one another and to God, equipping them to be agents of truth, peace and reconciliation. Led by the young adults who started Pathways, participants will spend the week together sharing meals, worshipping, having fun and traveling as pilgrims.

This third year of Pathways will take us to Sonoma County where we will explore matters of social and eco justice as we journey to the ocean, visit historical sites of immigration in the Bay Area, and meet with people in these communities who are engaging in the work of reconciling us and creation to God.

Applications are now being accepted! Visit
