From the Missioner for Church Vitality

Did you ever have news that was so exciting that you could not wait to share it with others? The Good News that fills our spirits with joy is about the radical abundance, abiding love, and healing power that Jesus shares with us when we respond to his call to follow him. All of the gifts that we have been given are ready to burst forth to serve our neighbors and share our love with a world in need

This year's Stewardship campaign from TENS is available online. There is an abundance of helpful information for your stewardship committee to use, such as sample letters, pledge cards, liturgical resources, weekly reflections for the newsletter, etc. On the TENS website you can also find helpful webinars and videos to deepen your understanding of stewardship. The diocese has subscribed to TENS, which enables every parish in the diocese to access the website for the annual campaign tools. Please contact me at ken@norcalepiscopal.org for the password and any questions about stewardship.
