

California Attorney General Rob Bonta's Visit to Midtown HART Respite at Trinity Cathedral

Dear Cathedral Family

On Thursday Midtown HART partnered with Trinity Episcopal Cathedral to convene an extra respite center for our unhoused neighbors. This was in response to a request from Attorney General Rob Bonta's office. He wanted to have members of his team volunteer with a respected charity working with the unhoused in midtown and Midtown HART provided the right opportunity for this.

During his visit AG Bonta led a press conference talking about volunteering during the holidays and drawing Californians attention to fraudulent charities that operate at this time of year. He then served coffee with our unhoused neighbors, and made some peanut butter jelly sandwiches alongside his team.

Finally, Cory Cooper, the President of Midtown HART and Dean Matthew engaged AG Bonta in conversation about our work with the unhoused.

Please watch the attached video of the press conference, and view some of the pictures.

Love

Dean Matthew
