

Diocesan Convention

The Diocese of Northern California

November 2018

The compassionate response of the Episcopal Church to global suffering and disasters. We work through Episcopal and Anglican structures to support communities worldwide.

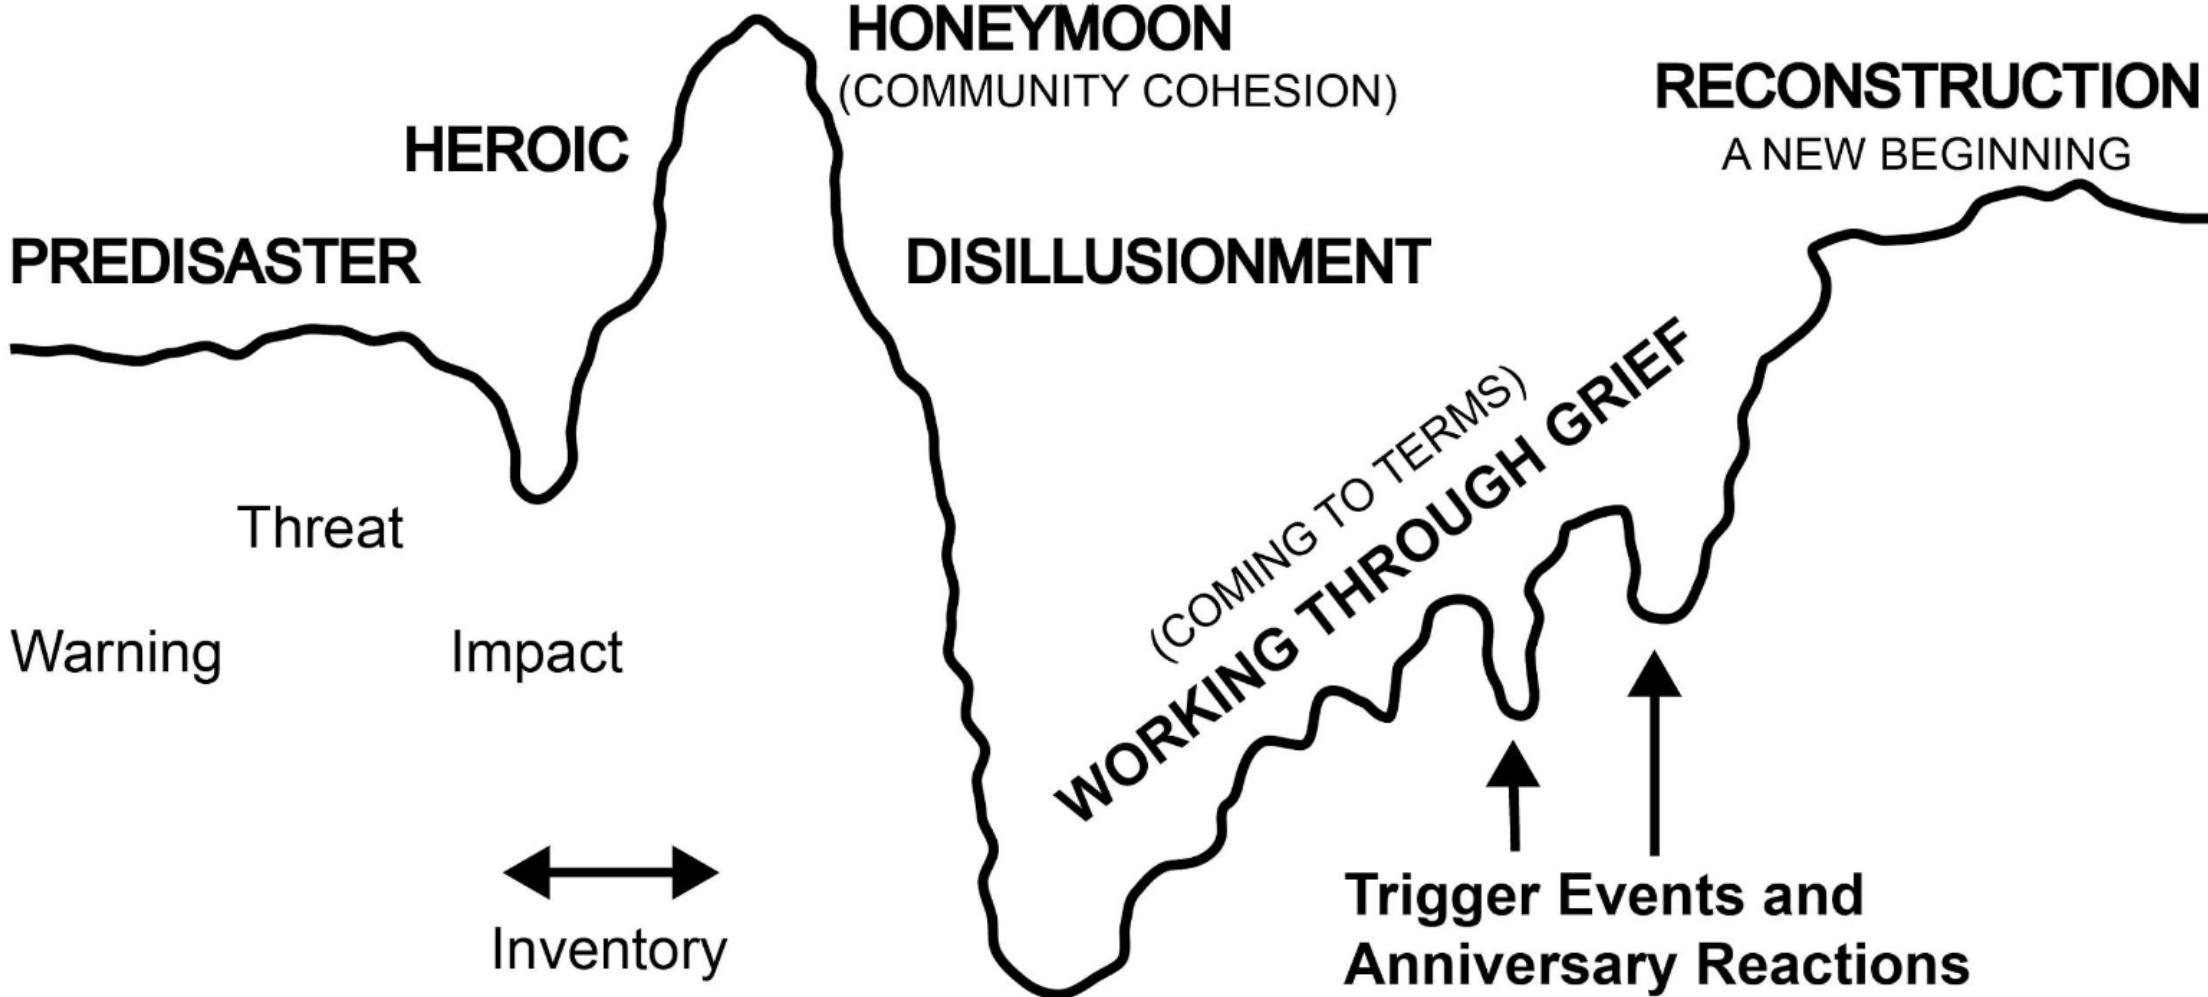

Life Cycle of a Disaster

- Preparedness
- (Anticipation)
- Impact
- Rescue
- Relief
- Short-term recovery
- Long-term recovery
- Preparedness

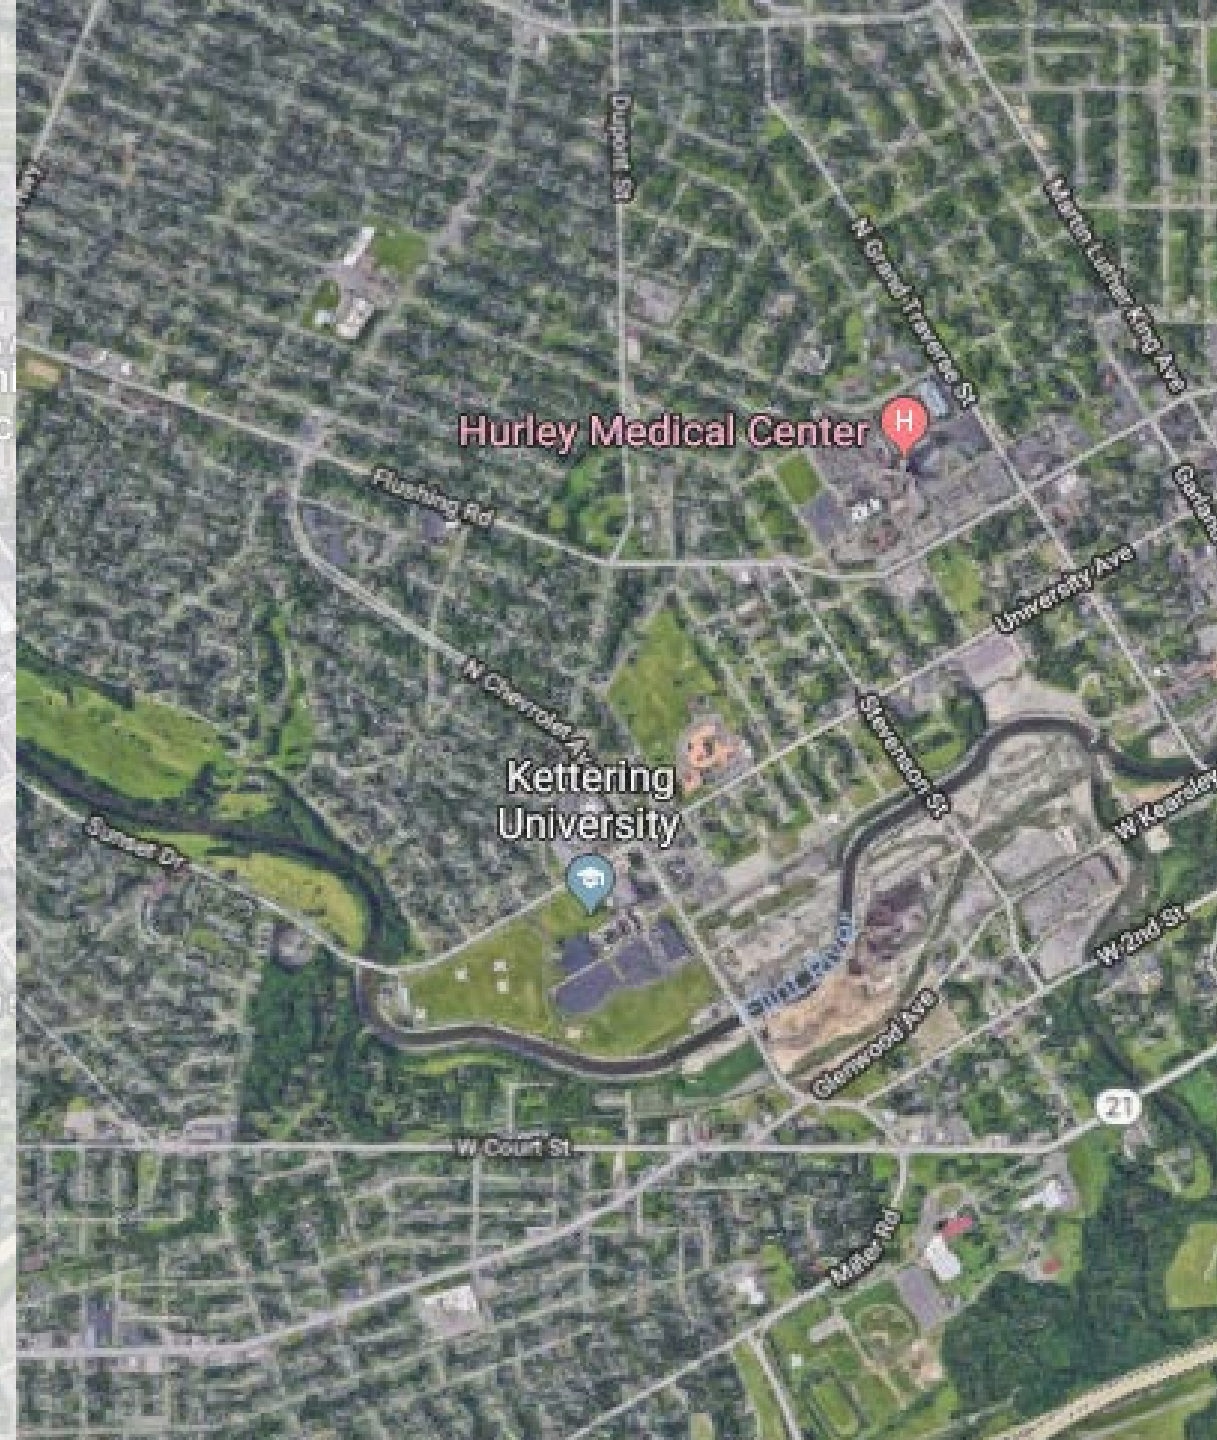

Emotional Life Cycle of a Disaster

Two Tales of a City

- Poverty
- Food deserts
- Crime
- Hospital
- After school programs

Community
Information
Agency

Disaster preparedness is about making deliberate ministry choices every day that will keep people safer and better position us to help our neighbors when they are in crisis. It is a community practice.

Our grants are designated for community outreach.

They **cannot** cover:

- Church reconstruction
- Assistance based on a church membership
- Non-disaster related programs
- Individual cases

Episcopal
Relief & Development
Working Together for Lasting Change

How Can I Help?

- Build relationships with community
- “What If..?” conversations
- Connect with first responders
- Fill out The Episcopal Asset Map
- Read and share disaster prep resources
- Join the diocesan disaster team

Questions

Risk = (Hazard X Vulnerability)/ Capacity
