

November 8 is the California General Election

Are you Ready to Vote?

Are you ready to vote in the California General Election on November 8th?

Very important Local, State, and National offices, propositions, and referendums are on your ballot. The Episcopal Church urges us all to *Vote Faithfully* and, also to empower everyone in our congregations to do so.

Presiding Bishop Curry has said, "Voting and participation in our government is a way of participating in our common life and that is a Christian obligation. We are blessed as a nation to vote. As citizens of this country this is a right, an obligation, and a duty. Go vote. Vote your conscience. Your conscience informed by what it means to love your neighbor, to participate in the process of seeking the common good, to participate in the process of making this a better world. However you vote, go and vote. And do that as followers of Jesus."
